

KEY ELEMENTS OF A MENTORSHIP

5. Pay it Forward

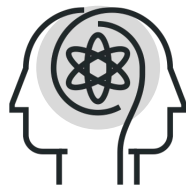

1. Connect!

2. Ask Questions

4. Learn & Apply

3. Share & Set Goals

Connect

Connect with someone who has more life/career/educational experience than you.

Ask Questions

Ask questions about their career path, educational path, life journey and be curious about them

Share & Set Goals

Share what your short and long term goals are (if you know them) or ask for help developing some goals

Learn & Apply

Be open to learning from others experiences then apply it to your own success

Pay it Forward

Share what you've learned and Pay it forward
